

NWRPDP Presents

Fall 2018 Offering!

Please register by September 7, 2018, to secure dates!

Leading for Impact: Going Deeper with the NEPF

This workshop is a great opportunity for Administrators, TOSAs, Instructional Coaches, etc., who are diving into the new school year - especially those new to Nevada or new to their position. We will provide an opportunity for participants to build their capacity as instructional leaders through an in-depth exploration of the NEPF Teacher High Leverage Instructional Standards. Attendees will gain knowledge and skills to assist in supporting teachers as they refine their practice in order to achieve greater impact on student learning. Participants will receive resources, video links and tools for supporting teachers to more accurately and successfully engage in the practices defined by the NEPF instructional standards. Leading for Impact will be conducted in 5 three-hour seminars. Location will be determined according to sign-ups. Participants may earn .5 or 1.0 NDE in-service credit. This course can be repeated for credit.

Facilitators: Cris Etchegoyhen, Lisa Hansen, Sally Scott, and Pati Falk

Five classes -

Wednesday, September 19 & 26

Wednesday, October 10 & 17

Tuesday, October 30

4:30pm-6:30pm

Plus one hour of self-directed reading, research, and reflection

Location TBD according to sign-ups
